PRESS RELEASE

Women in eDiscovery Announces 2023 Annual Sponsors

MINNEAPOLIS, MN – April 13, 2023 – [Women in eDiscovery](#), an organization that brings together women interested in technology related to the legal profession, announced today its sponsors for 2023. Women in eDiscovery (WiE) does not collect membership dues and is completely reliant on sponsors to support its operations and events.

“On behalf of our organization, I would like to thank our annual sponsors for their generosity,” states Jackie Rosborough, executive director of Women in eDiscovery. “Their support allows us to serve our current members as well as expand our reach by launching new chapters around the globe.”

2023 Annual Sponsors

[Beacon Hill Legal](#) partners with law firms and corporations offering the very best legal contract staffing solutions, document review services, and direct-hire and executive search resources, placing the legal market’s top attorneys, paralegals, and legal support professionals. Consulting with small boutique practices, regional and national law firms, and corporate legal departments across the country, Beacon Hill Legal utilizes a talented temporary and contract workforce together with an industry-leading team of executive search, placement, and staffing consultants to deliver the very best legal placement services to those we represent. Associates and partners, group mergers and firm expansions, GCs and in-house positions, complex document reviews and legal translation services; Beacon Hill Legal is the Nation’s top full-service legal project, search and staffing resource.

[Consilio](#) is a global leader in eDiscovery, risk management and compliance, document review, and legal consulting services. The company assists legal departments of multinational corporations and their outside counsel to respond to legal matters, reduce legal spend, minimize risks, and operate more efficiently using innovative software, cost-effective managed services, and deep legal and regulatory industry expertise across a spectrum of industries. Consilio and its global family of companies, DiscoverReady, Advanced Discovery, Altep, Millnet Document Services and Legal Placements Inc., employ leading professionals in the industry, applying defensible workflows with patented and industry-proven technology across all phases of the eDiscovery and risk management lifecycle. ISO 27001:2013 certified, the company operates offices, document review facilities, and data centers across Europe, Asia, and North America.

[Exterro®](#) is the preferred provider of e-discovery software specifically designed for in-house legal and IT teams at Global 2000, Federal, State and Local Government Agencies and AmLaw 200 organizations. Founded with the simple vision that applying the concepts of process optimization and data science to the way companies respond to litigation would drive more successful outcomes at a lower cost, Exterro has been positioned as a Leader in the last three years of Gartner's Magic Quadrant for E-Discovery Software. Built on an open architecture platform, Exterro's e-discovery and information governance software integrates with existing IT, HR and legal systems to deliver complete visibility into all critical data required for managing information assets more efficiently.

[HaystackID™](#) is a specialized eDiscovery services firm that helps corporations and law firms securely find, understand, and learn from data when facing complex, data-intensive investigations, and litigation. HaystackID mobilizes industry-leading cyber discovery services, enterprise solutions, and legal discovery offerings to serve more than 500 of the world's leading corporations and law firms in North America and Europe. Serving nearly half of the Fortune 100, HaystackID is an alternative cyber and legal services provider that combines expertise and technical excellence with a culture of white-glove customer service. In addition to consistently being ranked by Chambers USA, the company was recently named a worldwide leader in eDiscovery Services by IDC MarketScape and a representative vendor in the 2021 Gartner Market Guide for E-Discovery Solutions. Further, HaystackID has achieved SOC 2 Type II attestation in the five trust service areas of security, availability, processing integrity, confidentiality, and privacy.

[Intrepid Managed Discovery](#) is full-service electronic discovery and forensics shop with a roster of Fortune 500 corporations and AmLaw 100 firms as clients. We leverage the latest technologies surrounded by the most responsive services administered by top-notch personnel to ensure the highest quality deliverables demanded at the highest levels of the industry. Intrepid is proudly certified as Minority Owned Business and is among the most diverse organizations in the eDiscovery sphere.

[Relativity](#) makes software to help users organize data, discover the truth, and act on it. Our e-discovery platform is used by thousands of organizations around the world to manage large volumes of data and quickly identify key issues during litigation, internal investigations, and compliance projects. Relativity has over 180,000 users in 40+ countries from organizations including the U.S. Department of Justice, more than 70 Fortune 100 companies, and 198 of the Am Law 200. [RelativityOne](#) offers all the functionality of Relativity in a secure and comprehensive SaaS product. Relativity has been named one of [Chicago's Top Workplaces](#) by the Chicago Tribune for eight consecutive years.

[Tadler Law LLP](#) is a WBENC-certified women-owned litigation boutique that represents consumers, investors, and businesses in complex and class action litigation nationwide. Founded in 2019 by Ariana J. Tadler, a leading plaintiffs' litigator in the country and a pioneer in e-discovery law, we offer 20+ years of litigation experience in the areas of complex and class action litigation, e-discovery, contract negotiation, and legal risk consulting. We partner with law firms and clients looking to diversify their legal teams and offer the highest level of litigation experience. Our lawyers are regularly recognized as leaders in their fields by the National Law Journal, Legal 500, Chambers USA, and Martindale-Hubbell, among other ranking organizations. Capitalizing on decades of courtroom experience in complex and class cases, we leverage our team of seasoned

attorneys and deploy state-of-the-art technology to achieve creative and effective solutions for our clients.

Women in eDiscovery members are women who work within the legal industry, including general counsel, secretaries, partners, associates, chief operating officers, paralegals, litigation support and eDiscovery professionals. Membership is free and its executive board, regional directors and chapter officers operate on a 100 percent volunteer basis.

Local chapters typically hold an educational session, some CLE-accredited, each month, and the leadership board organizes larger events around major legal technology trade shows and association meetings throughout the year.

About Women in eDiscovery

Women in eDiscovery (www.womeninediscovery.org) is an organization that brings together women around the world who are interested in technology related to the legal industry. Its goal is to provide opportunities for businesswomen to grow personally and professionally through leadership, education, networking support and recognition.
